

Adventureland Christian Preschool

October 2011

It's been an exciting start to our school year. Our teachers and students are getting to know each other and establish some important rules and routines. We are so proud of our students and their ability to adjust to a brand new environment. I want to thank all the parents and grandparents that made it so successful. You play a big role in that transition and by the way it's been going I can tell that you've worked hard to prepare your child.

Picture day is coming up on the 6th and 7th of October. Siblings are also able to take pictures before class starts. The photographer will be ready at 9:15 for anyone that wants to take additional family pictures.

The Fire Department will be visiting our preschool on the 13th and 14th of October. The afternoon class will be invited to join the a.m. class for this visit. I will be sending home more information for the Pre-K class next week.

Our harvest parties are scheduled for the end of the month. Students will be able to dress up in non-scary costumes, play some games, and receive treats from the church staff. More information will be coming home in the next few weeks.

Evaluations

Evaluations will be sent out in the next few weeks. This is just the beginning of the year so please do not get alarmed if they do not know all their alphabets or shapes. Evaluations are meant to help us figure out where your child is at and what we need to do to help your child progress. No two children are alike when it comes to learning. Every child works at a different pace and if we notice that your child is struggling we will try our best to introduce concepts in different ways. Please take the time to look over your child's evaluations and please call Terri if you have any questions @876-0061

October Bible Stories:

| | |
|---------------------------|--------------------------------|
| Hannah's Prayer | 1 Samuel 1; 2:18—19 |
| Helping at the Tabernacle | 1 Samuel 1:28; 2:11, 18-21, 26 |
| Samuel Listens and Obeys | 1 Samuel 3 |
| Samuel Obeys God | 1 Samuel 16: 1-13 |

If you have a children's bible at home you can read the simple version of the bible story. Our teachers love to use props and felt boards. This way our students are more likely to remember the story and it helps to promote their imagination. We also like to ask a lot of questions before and during our bible story. In the first story Hannah prayed to God to give her a child. She prays all the time for one prayer. One questions we would ask our students is when do you pray? What kinds of things can you pray for? What did Hannah pray for? Did God answer her prayers? It is always interesting to hear what preschoolers have to offer. They are extremely bright and curious so you will get some great answers to your questions.
